HRS: Hey, Josh sorry you woke me up, I didn't get to the phone.
JN: No problem man, how you doin? You okay?
HRS: Yeah...Uhh.. a little bit of a heart attack.
JN: Holy shit man.
HRS: Ya know.
JN: Gotta take care of yourself buddy.
HRS: Yeah, well listen. Doctor told me to get rid of all the stress in my life.
JN: Okay.
HRS: Like I said, you could help me immensely.
JN: So you, you called, you called me first, right?
HRS: Right, yeah.
JN: (Laughing)
HRS: Uh, you could help me get rid of the stress, some of the stress in my life immensely.
JN: Yeah.
HRS: These fucking guys are a cross breed between a vampire and a vulture. You know, they want me to be able to tell them that Chris said the bill's dead they don't give a shit if it kills me. (Laughing).
JN: Yeah, (laughing).
HRS: Ya know, so, you tell me that Chris is good with this, ya know, that, the, that 20K and I'll like I said, I'll get somebody. I'll either hook you up with John or something to get you another 10. Because I'm not movin too much of nothing right now.
JN: Yeah, yeah, I hear ya. Uh, well, you know I, I um (coughs) I, I don't know that I can make a promise like that. I'm continuing to work on it.
HRS: Right.

TARGET TELEPHONE: CMT	CALL NUMBER: CMT
JN: And, and uh, ya know. Like I said, I'm, I'm just, ya know, we got the, the closer we get, every day that passes and nothing happens is a good thing.

HRS: Right.

JN: Um, so the further we get along towards next, uh, next Wednesday is a good thing. I mean right now it's in the Senate's hands and there's nothing I can,

HRS: Right. They ain't done shit with it.

JN: And there's nothing I can do there so, you know.

HRS: Right, they ain't done shit with it as of today, so.

JN: Right, right, so,

HRS: Yeah

JN: I mean do you guys have somebody in the Senate looking out for you up there, or what?

HRS: Well we are trying, but ya know. The Holy Grail up there is tough to break through.

JN: Right. I mean, so you know I, you know, you get movement in the Senate, ya know, I check that thing every day just like you do.

HRS: Right.

JN: And uh, ya know, if I see any movement up there, I'll start working even harder to make sure, ya know.

HRS: Josh, me and, this is me and you talking Josh.

JN: Yeah, I hear ya.

HRS: Ya know, is Chris good with this? Because like I-

JN: Yeah.

HRS: Alright, ya know, that's all I need to be able to tell these guys is that Chris is good with this. And they're gonna, they're, they'll be happy. They'll hopefully let me rest a little bit to get over this fucking shit because ya - they were calling me in the fucking hospital.
JN: Shit man.

HRS: Ya know, it's all about the 200 million dollar payoff at the end for them.

JN: I hear ya.

HRS: That's the bottom line. They don't, they don't give a shit about jobs, they don't give a shit about nothing. They give a shit about their 200 million. Ya know, and, and, just want me to be able to tell them that they ain't throwing away money for nothing.

JN: Right.

HRS: And ya know, like I said if you tell me Chris is good and I can tell them that, that, that will relieve a whole bunch a shit off of my plate.

JN: Yup, I hear you man. I am uh (laughing) ya know doing everything I can like I said.

HRS: Alright.

JN: We got one, one week left I mean it's just like you gotta just monitor this shit all the time because you know how it is up there.

HRS: Yep.

JN: If you look away for one second, something slips through. So we just gotta, ya know if you see any movement there, the Senate does anything, makes some bad decisions, and we gotta ya know step in. Uh ya know I'll be working to make sure that happens.

HRS: Alright bro.

JN: Alright.

HRS: Alright, thanks.

HRS: Well you know still tired, hey listen, I talked with uh Chris last night. Obviously you probably already know that because he called like two minutes after I talked to you.

JN: Yeah, yeah I talked to him. Yup.

HRS: Alright, uh you know. I'm, I'm glad you committed to me on the bill and he, you know, he told me he's working on it. Uh, so I relayed that message today to the RYO guys, and you know they, they're harping on me because I don't know they dropped the 20K to kill it. And they don't think, they can't get it through their heads that the Speaker is not gonna flat out say that I'm gonna kill the bill. Alright.

JN: Right.

HRS: So, they're gonna, I got another 10 grand, but they want me to wait until the bill is a done deal. And I'll be right there with the checks for you.

JN: Until session's over, right?

HRS: Yea, well you know un-, un-, unless the, the bill gets brought up and it dies, you know.

JN: Yea, yeah. Yeah, I - we, we can wait.

HRS: That's where I'm at, you know like I said. I, I I'm working on it, um, trying to work with them, work with you. So, hopefully we can get this thing killed and I can take care of Chris for another 10 grand and much more later on. Alright brother?

JN: Yup. I, I hear ya, man. I mean we'll uh, like I said, we'll uh keep working on it and, um, we'll plan to talk after session's over.

HRS: Alright and if you hear anything that you know they're trying to do any back door shit or whatever let me know.
